IPART Special Variation Submission Form

Industry	Local Government
Review	(LG) Special Variations & Minimum Rates 2021-2022
Document Reference	
Council	Canterbury-Bankstown Council, Application Notification Letter
Please leave your comments in the comment box below.	<p>The way in which the council is presenting this for community consultation is extremely deceptive. They are saying the change is being done to delivery "One Rate" and harmonisation. For a large number of ratepayers the special rate variation represents 100% of the increase and for ALL others it represents over 50% of the increase.</p> <p>I think the councils accompanying submission for the community consultation component of this request should be rejected as they are actively deceiving the community as to the nature of the increase being represented.</p>
