Submission: I don't want the City of Sydney to be swallowed up by a mega council.

I think the blatant attempt by the State government to depose Clover Moore is despicable. Surely the leaders of our state have better things to do than upset an entire city in order to depose a functioning council. For shame Mike Baird. Liberal candidates were not elected to the City of Sydney. Get over it.

I have lost a great deal of respect for the State government. This sort of cynical political manoeuvring is why Australians have become completely disenfranchised with our leadership.
