Submission: Home owner in Lithgow NSW. I have a mortgage. I don't work no job now. Council rates being increased will be bad for me fianancially in so many ways. Roads in Lithgow are very bad and no movie theatre. Coal fires still around some places, air pollution , lack of facilities, low employment. Lot of people struggling. Bathurst has so much more then us. Coastal areas and some places near beach and nice areas pay the same as us for council rates.
