IPART Special Variation Submission Form	
Industry	Local Government
Review	(LG) Special Variations & Minimum Rates 2020-2021
Document Reference	
Select Council	Lismore City Council
If you have any general feedback regarding your council's proposed SV, please leave your comments in the comment box below.	A young family with one child, we cannot afford to pay higher rates for our home
Your comments on Criterion 1:	The council is overstaffed and would benefit more by having better management.
Your comments on Criterion 2:	Council could stop buying art and fix some roads instead. The street I live on is full of potholes, I have bent many rims. We cannot afford to be fixing our own property damaged by lack of care by council, let alone HIGHER rates!
Your comments on Criterion 3:	We are already paying higher rates than we would like to be, we simply cannot afford more and fear what might come if the rates were to rise.
Your comments on Criterion 4:	Better management and spending money where it should would benefit Lismore lots. We do not need higher rates.
Your comments on Criterion 5:	History has shown that they do not stick to their word on promises that they make. Nothing they promise will happen.
