Select Council	Lismore City Council
If you have any general feedback regarding your council's proposed SV, please leave your comments in the comment box below.	A young family with one dependent child and only one income, we simply cannot afford to pay higher rates than we already are
Your comments on Criterion 1:	We would prefer lower rates than fancy art projects around the town.
Your comments on Criterion 2:	Nobody in the community agrees that we need a rate rise, we are already paying through the roof. I cannot support my family and keep our family home if we are made to pay higher rates.
Your comments on Criterion 3:	Rate rises will have a negative affect on the community.
Your comments on Criterion 4:	Yes exhibited not promoted. The usual council secrecy.
Your comments on Criterion 5:	The council and community would benefit greatly with better management and less spending on unnecessary things such as art.
