| If you have any general feedback regarding your council's proposed SV, please leave your comments in the comment box below. | As a homeowner I cannot afford a rate rise. The rates here are already among the highest in the state! |
| Your comments on Criterion 1: | We can go without special projects for the time being until council becomes more responsible. |
| Your comments on Criterion 2: | Council information on this has been misleading and confusing. |
| Your comments on Criterion 3: | The rates are already much too high and the community is already struggling. The majority of rate payers have made it clear to council that we do not want this rate rise, nor do we need it. |
| Your comments on Criterion 4: | Not everybody goes to council chambers to read exhibit documents. |
| Your comments on Criterion 5: | In the past the Lismore City Council has not been very good at keeping their word or promises. |
