IPART Special Variation Submission Form	
Industry	Local Government
Review	(LG) Special Variations & Minimum Rates 2020-2021
Document Reference	
Select Council	Lismore City Council
If you have any general feedback regarding your council's proposed SV, please leave your comments in the comment box below.	Lismore Council needs to live within their means, they have consistently mismanaged their rates income. They surveyed the Ratepayers before initiating the rate increase submission. That survey result was a resounding NO vote to the proposed rate increase which they completely ignored and forged ahead with the rate increase submission. NO DONT GRANT IT PLEASE.
Your comments on Criterion 1:	They surveyed the Ratepayers before initiating the rate increase submission. That survey result was a resounding NO vote to the proposed rate increase which they completely ignored and forged ahead with the rate increase submission.
Your comments on Criterion 2:	They surveyed the Ratepayers before initiating the rate increase submission. That survey result was a resounding NO vote to the proposed rate increase which they completely ignored and forged ahead with the rate increase submission.  THEY NEED TO LIVE WITHIN THEIR MEANS LIKE OTHER LOCAL GOVTS IN NSW
Your comments on Criterion 3:	THEIR CURRENT RATES ARE AREADY HIGHER THAN NEIBOURING COUNCILS _ WE CANNOT AFFORD THEM AS IT IS????

Your comments on Criterion 4:	They surveyed the Ratepayers before initiating the rate increase submission. That survey result was a resounding NO vote to the proposed rate increase which they completely ignored and forged ahead with the rate increase submission.
Your comments on Criterion 5:	There were obviously no productivity increases and cost containment strategies implemented in previous years otherwise they would not need these exuberant increases, and I suspect the newly dreamt up productivity increases and cost containment strategies are hollow promises because they consistently live beyond their means.
