Submission: I am a resident of leichhardt council and have been notified of the proposal to amalgamate the council. I strongly feel that the residents would benefit much more within the leichhardt council and would strongly wish that we remain a standalone council. I am against the proposed amalgamation as I would be concerned that we could potentially lose financial support and control if amalgamated into a larger council. The unique needs of the residents would not be heard in a larger council and we would be better served with our existing council structure.
Thank you
