Select Council	Lismore City Council
If you have any general feedback regarding your council's proposed SV, please leave your comments in the comment box below.	Lismore is a poor city quickly becoming just a town. No one can afford the small plane airport and have to go to Ballina, very few jobs, and council want to keep making more money on the the people's depression and complacency due to their situation. The pensioners finding it impossible to pay the rates as is. In the past 2017 floods a large majority of residents suffered enormous loss financially but ALL the residents suffered emotionally from the sights we saw all around us. People emptying the entire contents of their homes onto the streets. Businesses closed and some never reopened whilst some are still closing. And the council want to add more suffering. I SAY PREVENT THE PLACE FROM FLOODING - do not punish us further because the flooding affected roads etc. By RAISING the rates THE LISMORE COUNCIL IS DRIVING PEOPLE AWAY.
