Subject: Submission Balranald Shire Rate increase

Hello, I had trouble with your online form, please find below my submission.

I own a property North of Balranald. My current rates for the year are [REDACTED]. I object to the rate increase because I feel that the original wording in the advertising made it sound like our rates were only going to increase by 10%. Other advertising stated rates on average would increase by \$300 after the 7 year period. This may be so for general ratepayers who live in town, however by my calculations my rates in 7 years time will be in the vicinity of \$5000. This, on top of Western Lands Rates and Wild Dogs, it's too much. I will receive no extra services for this excessive amount of money I will be paying. It appears that the farmland ratepayers who are in the minority, will be paying the majority of dollars for no extra services.

PLEASE KEEP MY NAME ANONYMOUS – my submission may be published
