Submission: why,why,why, everytime they have surplus they waste it, eg a stringed blue horse, they need to tighten their belts and stick to budgets not expect us rate payers to keep footing the bill for something they cant manage, honestly we pay highest rates, get no benefits at all, water is not worth paying for to have it stinks, we have to fight for everything in this area cut the waste from the top down or simple have super shires get rid of state governments less money for politicians then more for our services wake up and have a look at our country areas we are suffering and now you want to drive a nail in the coffin for a lot of us
