Submission: As a ratepayer of 30 years I am appalled at the thought of another rise. I have no guttering a bad road. The UHSC does nothing in town unless of major importance. The UHSC tried screwing the shire a few years ago suggesting that Murrurundi and Merriwa towns pay higher rates to fund road repairs in Scone. They (Council) then stupidly purchased a \$15000 sculpture (wether by donations etc) . The list goes on. The scuttlebutt is that they (Council)are broke.
