I wish to object to the Shoalhaven city Council. proposed RATE increase of 28% over two years.

1/ NO INFORMATION HAS BEEN GIVEN TO RATE PAYERS TO VALIDATE THIS RATE INCREASES which is WELL above the C P I.

2/ NO NEW. WORK'S ARE PROPOSED as a result of this RATE. INCREASE.

3/ The RATE INCREASE is unaffordable to many Pensioner RATE PAYERS and will INCREASE their FINANCIAL HARSHIPS.

4/ AT NO POINT HAS SHOALHAVEN CITY Council suggested or said they would. tighten their Expenditure to help reduce the RATE Rise.

Thank you
