Subject: Shoalhaven Council increased rates

Dear Tribunal Members,

Please accept our very strong objections to the greedy, unreasonable and unnecessary rate hike intended by Shoalhaven City Council. Misspending on unnecessary projects is not where our rates should be going. Rates have increased every single year and not necessarily in keeping with C P I. pensions or wages. We ask you to deny the proposal and keep Shoalhaven Council accountable.

Sincerely,

Brian Patrick Byrnes and Lavon Aray Byrnes
