**To whom it may concern**

Ashfield Council has consulted residents and we support this Special Rate Variation.

As long term residents and people who have worked within this community, we utilise the Ashfield pools and we would be disappointed if these closed. Our three children all learnt to swim there and we all still partake of this as a leisure activity.

Ashfield LGA is a small council area in land size and we celebrate that it is truly community oriented. We acknowledge the need to upgrade and maintain our local infrastructure, parks , playgrounds, canteens, roads, footpaths, community facilities and shopping precincts. Such things cost money and we want to support the council that supports us.
