Subject: Leave Sydney Council Alone !

Hi -

I know the Liberal Party want to 'Get Clover'.

Her incorruptible independence must be a thorn in the side of itching-to-get-rich-from-development Liberal Mates.

But here's the thing - Clover is doing a great job - and is very popular with City of Sydney residents, owners, ratepayers and voters.

And any attempt by a state government to kick her out for obviously purely selfish political reasons will be met with mockery, derision and uproar.

Don't be stupid - don't attempt to destroy the best place, best run city council in Australia that attracts millions - the MOST visitors to Australia - just because someone wants to put their hand in the till.

Leave Sydney Council Alone !

Thanking You in Anticipation,

David Green
