Subject: Rejection of Port Stephens Council's SRV

To:

Dear Sirs

I/WE wish to register our objection to the proposed 7% rate increase to finance flamboyant ideas that are just not in the ratepayers financial and practical interest.

Just do the job required and keep the area ship/shape and in good repair, that includes potholes that are repaired by crews TRAINED to do the job properly-----and with pride.

Just let the people tell you what's required and when, they are the custodians of this area, and very proud of it.

We have put a lifetime of work into retiring in Paradise, and you won't find a more passionate and economically savvy crowd anywhere.

Thank You.
