Subject: Application for extra rate increase

Dear Sir/Madam,

I wish to lodge in the strongest term, a complaint against the Ballina Shire's proposed application for an increase above the pegged rates price , for the purpose of alteration and maintenance of swimming pools to both Ballina and Alstonville. I take particular exception at the fact that the Shire carried out a poll to test the acceptance of this extra rise and even though the result was resoundingly against this rise they still are going ahead and apply for the same.

Yours Faithfully

Desmond James McDonald
