Subject: Support for Ashfield Council's Special Rate Variation

I am a rate payer in the Ashfield Municipality. My family and I use Ashfield Pool.

I have been consulted about the Special Rate Variation and supported it. I would like the public infrastructure in this Municipality to be good quality, in good repair and safe.

I strongly support this carefully analysed proposal and thank the Ashfield Council and its Councillors to bringing the need for the variation to the rate payers attention.

Yours sincerely,

Elisha Long
