Subject: Mid Coast Council - Special Rate Variation OBJECTION

Dear Sir/Madam

I wish it to be noted that as a ratepayer within the newly formed MidCoast Council, that I object most stridently to a Special Rate Variation of up to 30% over the next 4 years.

The appointed administrator to the Mid Coast Council ignored all opposition by the rate payers, and applied to you for an 11% Special Rate Variation which will rise to 30% over the next 4 years, and stated that 80% of ratepayers accept the rate rise.

I DO NOT WISH TO BE CLASSED IN THE PRESUMED 80% WHO ACCEPTED THIS RATE INCREASE.
