

PB 2/16/17

15th June 2017

1 PART

Chairman Dr Peter Boxall

Dear Sir,

I write

this Letter in protest to the proposed Rate increase (SRV2017) Midcoast Great Lakes Council.

My wife and I are pensioners and are 77 years old, we are just surviving on what we receive now, if there is an increase we should be exempt

yours faithfully

G. Barber
