Subject: Rate Rise in Mid Coast Council.

I am writing to you in concern off our expected rate rise for the Mid Coast Council. Bulahdelah is a small town off approximately 1,200 people. People who live in this town are not on high income and an increase in rates would be pushing the low income earners to their limits. Our town has had a bye pass in the last 2years and the loss of a hospital which has been devastating to the town alone. We are a small town with also a lot off elderly and retired people which find it very hard to make ends meet. Please consider our small town when the rate rise is investigated. Thanks for your time on this matter. Gwen
