<p>If you have any general feedback regarding your council's proposed SV, please leave your comments in the comment box below.</p>	<p>Dear Sir/Madam,</p> <p>I would like to express my concern about the Lismore City Council rates increase. I feel that they have been a very substandard council who have mismanaged finances and spent money on ridiculous things and now to counteract their black hole have the audacity to expect ratepayers to fix it.</p> <p>Lismore is struggling after a huge flood last year and the town is dying, with many empty shops as people just cannot cope with another slug and the town is dirty and I believe if this increase actually happens that will be the final straw.</p> <p>I have been born and bred in Lismore and as a ratepayer I will make some hard decisions about selling my home and relocating from this town.</p> <p>This council are very difficult to deal with and definitely do not want progress as they make it impossible for any business or individual to do basically anything with unreasonable expectations and charges.</p> <p>I would like to think that someone will see reason and understand that it is so wrong to increase rates because of the councils inefficiency when people are struggling as it is and I believe we have one of the highest rate charges compared to other areas.</p> <p>Kind regards, Gwenda Prodger</p>
