Subject: Port Stephens rate increase

I am totally against the proposed rate increases by the Port Stephens Council, Lemon Tree Passage has long been forgotten when it comes to upgrades to facilities and the road into Lemon Tree Passage is a disgrace and when you see so many good roads being resurfaced it makes you wonder why. Our rates increase already and if the council want more money to spend in Nelson Bay which is where most of it will go then maybe they should sell off some of their assets, i dont think that our rates should be spent on purchasing council assets. This council was extmely financial when there was talk of a murger and now they are asking rate payers for more money and the the proposed increase is unresonable and increases hardship on already struggling families. Bottom line.....NO INCREASE!!!!
