Regularity Tribunal

Dear Sir or Madam,

Re 12.5% Rate Increase
to be made Permanent, for Liverpool
Plains Shire Council, Queensland.

We realise that the Rate Percentage
has to increase from time to time due
to Economy Changes, but as Pensioners
think that a $12\frac{1}{2}\%$ Rise from the
 2.3% Allocated is too big a Rise and
should not be made permanent
Therefore we are Objecting to it

Yours Faithfully

Doug & Joan Lolaske
