Subject: Warringah Councils Rate rise

I am writing to protest re. the 26% rate rise over three years as proposed by the Council. We the residents have been hit by fire protection laws, which must be carried out in three years or be fined 1 million dollars. Total cost being estimated at approx. \$75,000 in a block of 18 units. This is harassment enough without an enormous rate rise. In [REDACTED] the council refuses to come in to empty 14 wheelie bins and we have to repair our own pot holes in the road. On top of this our levys have been increased to cover the cost of all this. I am positive that Warringah Council needs to learn to stop wasting money and stay within their budget. I would like to see this matter dealt with in a reasonable manner. Thanking you, Jeanette A Sylvester
