Subject: OBJECTION: North Sydney Council - special rate variation application 2019

Mr Madden

Please note as long-time home-owner/residents of North Sydney that we object to the above application made by North Sydney Council. North Sydney Council has a record of sound financial management and the ratepayers should not be subjected to rate rises that amount to a total 40% rise over 5 years on our current rates. The recent Council information regarding the intention to vary rates as issued to residents was incomplete and offered no reference to current rates.

We refer to, and strenuously support the letter from our local representative, Councillor Tony Carr (with Councillors Beregi and Baker) to IPART dated 8 March 2019.

Regards
Jane van Hagen
