**I understand Ashfield Council has consulted with the community about the Special Rate Variation, which I support for the following reasons.**

**Our community and schools use Ashfield pool. We would be disadvantaged if it closed.**

**Ashfield needs to upgrade, maintain and repair our local infrastructure, parks, playgrounds, canteens, roads, footpaths, stormwater, shopping centres and community facilities, at a faster rate.**

**There is no other pool close by for use by a community many of whom have no background pools or backyards.**
