Subject: Objection to rate increase ---- Shoalhaven Council ---- Kevin and Sandra GIBSON.

Dear Staff,

Would you please register our objection to any Shoalhaven Council rate increases that are significantly more than the inflation rate.

There are many low income workers, and pensioners and low - income self-funded retirees like us in the Shoalhaven Shire.

Significant rate increases makes life increasingly difficult.

The ability to pay should be taken into account.

Best Wishes, Kevin and Sandra Gibson.
