Subject: Fit for the Future - Leichhardt Council

IPART Submission

Thank you for an opportunity to express my opinion.

I've been a citizen of Leichhardt since the mid eighties and have found the community and councillors work together in a progressive manner.

Over this period there have been many issues to overcome and it has moved forward in grounded Democracy in Action.

It has also proved to be a financially sustainable council.

Please allow Leichhardt Council to remain a standalone Council.

As suggested localgovernment@ipart.nsw.gov.au came up as invalid domain, I try the above email and hope you can forward to appropriate area.

Best regards

Ms Kim Hague-Smith
