## IPART Special Variation Submission Form - Applications

Industry	Local Government
Review	(LG) Special Variations & Minimum Rates 2021-2022
Document Reference	
Council	Georges River Council, Special Variation Application
If you have any general feedback regarding your council's proposed SV, please leave your comments in the comment box below.	<p><b>I am writing to complain about the proposed raise in council rates.</b></p> <p><b>In my opinion I believe council can do other changes to improve their financial positions.</b></p> <p><b>The management of Georges River Council is top heavy with management. They could reshuffle the management team to reduce the amount of top end management.</b></p> <p><b>Also, the \$4m in uncollected revenue from developers could be collected as soon as possible</b></p> <p><b>Also, there do not appear to be any cost saving reports generated to costs savings since 2016 to 2021?</b></p> <p><b>There is little reason to increase the rates given changes the council can make to improve their financial position before loading up the general public with higher fees.</b></p>
