Date of submission: Thursday, July 30, 2015

Submission: I am a long term resident of the city of Sydney. In my 20 years of residence, I have had no reason to fault the council, either for the provision of essential services, or for its long term planning.

The excellent financial state of the city, combined with the 2030 vision which is gradually being implemented on schedule demonstrate its long term viability.

I oppose any amalgamation of the city of Sydney with another council.

Kind regards
