Subject: Ashfield pool

I write to you concerned that there is consideration to close Ashfield pool

Ashfield pool is a key recreational facility to our community ... My family uses the pool regularly as does my children's school We are members of Ashfield Amateur Seimming Club too and use the pool on Saturdays

I understand there is a proposed special rate variation request to renew the outdoor pools I support the need to upgrade the pool and would as a community member be very distressed if the pool closed
