If you have any general feedback regarding your council's proposed SV, please leave your comments in the comment box below.	I currently pay [REDACTED] a year and that is with my pension rebate reduction. I received a brochure telling me my rates for 2021/22 would only increase to [REDACTED]. this means my rates will decrease? It has been very disturbing as neighbours have told me the rates will increase by 30%. I have phoned my council to no avail, I am very confused, as I can not afford a huge increase.
Your comments on Criterion 1:	The pool at Carrs Park has been closed by this council. They have improved the foreshore at Carrs Park, looks amazing.
Your comments on Criterion 2:	I find no reasons for such an extensive rate rise.
Your comments on Criterion 3:	I personally will find this rate rise beyond my budget.
Your comments on Criterion 4:	Documents were not advertised for the rate payers information apart from the document sent with the rate notice in November 2020 which was confusing.

Your comments on Criterion 5:

**I have seen no such documents.**
