**Importance:** High

Good morning,

We live in Breakfast Point NSW and sincerely cannot understand who would be in the right mind can even consider, let alone agreeing to amalgamate Canada Bay Council with Auburn and Burwood Councils?

We strongly oppose this merger for many reasons, to identify a few such as value of property in Breakfast Point, Abbotsford, Five Dock, etc. are a lot higher than value of property in Auburn and Burwood.

Due to amalgamation, it is likely that Council rates will increase, increase population and pressure to our existing infrastructure, our Council will be run by people from Auburn that we do not know, loss of our highly valued parks, declining services, job losses and lot more needless to mention as they are obvious.

Please do not destroy our community.

Sincerely yours

Lourdes
