Re Byron Residents Rate rise. Instead of slugging an already struggling community with a rate rise, we the residents of Byron Bay would like to strongly suggest that our council adds a tourist levy, tax (call it what you like) to every music event ticket sold. (The ratio is 52:1 visitor to resident)

To help Byron Shire Council raise the funds, for every music festival ticket sold, add a small tourist tax in the final amount. Surely Peter Noble and North Byron Parklands would agree that this is doing the right thing by the communities that watch their homes getting trashed and trampled by crowds!
