Date of submission: Monday, 11 March 2019

Submission: We wish to make a submission to I Part to lodge a "No Vote" to Port Stephens Council rate rise. Our address is [REDACTED]. We are self funded retirees and have trouble paying rates at the current rate. council spends nothing in the Salt Ash area. we have been trying to get the council to clean drains along Nelson Bay Road Salt Ash for 20 years.

council lowered Moor's drain levee bank and turned properties along Nelson Bay Road Williamtown and Salt Ash into a PFAS contaminated retention pond. the flooding of our properties with contaminated water from Moor's drain has made our properties worthless.

Regards

Leonard and Pamela O'Connell
