

Author name: M. Dority

Date of submission: Tuesday, July 21, 2015

Submission: To whom it may concern,

I object to the amalgamation of the City of Sydney and other nearby councils.

Reservations include:

1. Private Investment and public projects at risk.
2. Amalgamation experiences in other countries have produced evidence of decline in standards and efficiency of former councils.
3. A consensus amongst fellow residents in my local Sydney area that this will negatively impact our current living experience.

Regards,
Mr Matt Dority
