Dear Sir, Madam

I would like to say I'm against the 53.5% rate rise that Cootamundra Gundagai Regional Council are asking for as it is madness to think such a rise. Im part of a family farming bussiness 60km from Gundagai our rates will go from \$22,976 dollar p/a to \$35,268 .35 an increase of \$12,292.34 for what?

The rural rate payer will wear the brunt of this rise and it is totally unfair. Gundagai recently had a %10 srv rate rise to do up the main st this cost our family farm \$50k or \$17,000 per house hold on our farm (3 house holds) very un fair as people in town only payed \$50 a year . We now pay \$63 a rate notice garbage fee but have no garbage depot aswell as a \$25septic fee x10 rate notices. The council I think is top heavyey.they need to reduce staff. They cannot cut services to the rural rate payer as we get nothing now from the shire.
