Document Reference	
Select Council	Lismore City Council
If you have any general feedback regarding your council's proposed SV, please leave your comments in the comment box below.	As a rate payer for over 40+ years I object to Lismore City Council being granted rate increase. It seems to me that they always want more money and we get the basic services. They never seem to take notice of the results of surveys carried out with regard to projects they want.
