Industry	Local Government
Review	(LG) Special Variations & Minimum Rates 2021-2022
Document Reference	
Council	Armidale Regional Council, Application Notification Letter

Please leave your comments in the comment box below.

**As a member of the community, I do not believe this increase is justified. Having experienced the devastating drought last year and the bushfires, many members of the community are in significant financial distress and a rates increase at this point in time is likely to be the final straw that drives some farmers off the land. I believe that previous council financial mismanagement has been the underlying cause of the current problems and believe that improved management could enable council to deliver extant services without increasing rates**
