Dear Independent Pricing and Regulatory Tribunal  
Local Government Division  
Review of Local Council Fit for the Future Proposal

I DO NOT WANT the City of Sydney's boundaries changed to create a "mega-council" for the City to include Botany Bay, Randwick, Sydney, Waverley and Woollahara.

I want the Current City of Sydney Area to remain at 25 km<sup>2</sup>.

I want the City of Sydney to stay the same.

I do not want the City of Sydney Council to be forced to amalgamate with neighbouring councils.

I vote no to amalgamation.

Thank you for taking the time to read this.

Signed

(MEGAN SLINNING)
