Subject: Unnecessary and savage rate rate increase proposed for North Sydney Council

Dear sir ,

My wife and I are totally opposed to North Sydney Council's proposal to make substantial annual rate increases for the next four years.

They have always boasted that they are very asset rich and i do know that they as well as some other Councils are over staffed in their office/administration departments.

The General Manager is paid what we think is an astronomic sum .

We are finding that our rates have become more and more a burden over the years and sincerely don't want these unreasonable increases.

Please arrange to stop this one.
