Dear Sir or Madam

I am totally  
against the rate rise

This council is at fault for  
giving DA, in flooded prone areas,  
then are sued for millions not  
just once.

They get heaps of money for  
sand mining. Have just been  
granted a 16ml new one we  
don't want because the roads  
won't handle the trucks.

Please knock back the rise  
just C.P.I.

Yours sincerely  
Thomas Halliday
