IPART Special Variation Submission Form - Applications

Industry	Local Government
Review	(LG) Special Variations & Minimum Rates 2021-2022
Document Reference	
Council	Central Coast Council, Special Variation Application
If you have any general feedback regarding your council's proposed SV, please leave your comments in the comment box below.	<p>I am sending in another submission as just recently a Central Coast Council spokesperson had admitted on ABC Local radio that the proposed increase could be as high as a 42% increase. Ratepayers are continually being misled into the operation or structure of the proposed increase, We are being treated with as insignificant by this current Administration. I personally have already been subjected to a 40% increase in rates. From 2019/ 2020 \$1682.75 to the 2020/2021 \$2350.86.</p> <p>(I have attached the notice of rate increase). How can I possibly be expected to be subjected to another increase, even a 2% increase is not warranted.</p>
