Subject: Dungog Council Special Rate Variation Submission

To Whom It May Concern,

I am writing to make it known that if the Special Rate Variation for Dungog Council is approved, me and my family will not be able to afford to pay our rates.

I work three days a week. My two children are in daycare for two of those days. Half of my weekly pay goes to paying for daycare fees. The rest is for groceries. My husbands pay is set aside for bills.

We are just able to make the payments now but the Special Rate Variation goes ahead I'm not sure we would be able to pay the rates.

Sincerely,
