Answer 12: With the increase of cost of living increased, I have had to adjust our budget, I have reduced my hours of work since taking the second child. Utilities have all increased, Rent increased, Grocery bill has increased, Fuel Costs has increased. Sport activities have all increased in cost. as they are growing children, they are out growing the clothes and shoes quickly. Child 1 - 8yrs old girl is a tomboy and very sporty Child 2 6yrs. with disabilities is a girlie and very feminine so the option of keeping Child 1 clothes to hand down to Child 2 is not an option, as child 2 refuses to wear boyish clothes or shoes. Answer 13: I have never asked the department for additional financial support Child 1 has been in my care since she was 7mths old.
