Your submission for this review:

I can't believe you all are so [REDACTED] and putting the water price up by 34 percent by 2025/26 is no frills price [REDACTED] and complete [REDACTED] After what we went through with the administration of cca due to AGAIN [REDACTED] how can we ever trust you to put our interests first? You won't, policies and changes like this is the reason you cannot be trusted to put the communities interests first. how evil and money hungry all you are sitting in council in positions of power you are here to serve us not [REDACTED] so serve!
