Subject: Coffs harbour Councils Request for Special Rate Variation

Dear Sir

Coffs Harbour City Council has requested a Special Rate Variation to the official rate peg of 2.3% as follows

2014/15 7.9%

2015/16 8.14%

2016/2017 7.75%

We along with 80% of this electorate have stated to council in answer to their public comment request that we object to this seeking of such a Special Rate Variation.

In view of the majority of residents opposition this request should be rejected by IPART

Sincerely yours

Paul & Jo Gaggin
