Council	Cootamundra-Gundagai Regional Council, Application Notification Letter

Please leave your comments in the comment box below.

Cootamundra and Gundagai were forced to merge. Cootamundra council was deemed to be fit for purpose and was ensured of a good financial situation to take us into the future.

Since Amalgamation the merged Cootamundra Gundagai council has failed on many fronts to fulfill the desired outcomes that were intended to be the benefit of merged councils.

For individuals in these areas we have seen the cost of merger increase quite dramatically, the first rate issue in 2020 caused an increase for many including my property of 100 percent.

We are now being asked to support a SRV by our council application to increase air rates by another 50 percent. These cost increase clearly shows the failure of the council merger and how we, the rate payers, are going to have to pay for others mistakes.
